## Letter of Intent

It is a matter of immense delight to note that **Shree Brijlal Biyani Science Collage Amravati**, one of the premier multi-faculty educational institution in the Vidarbha region of Maharashtra is proposing to establish **Atal Incubation Centre** under **Atal Innovation Mission** of **NITI AAYOG, Govt. of India**.

**VADACTRO** (Vidarbha Advanced Development And Consumer Technology Research Organization) is an Indian organization specialized in Research, Innovation, Engineering & Education for IOT enabled consumer technology products like Home Automation and Smart Lighting Control systems. Since 2012, Team **VADACTRO** is passionately working on developing SL-BUS Technology product based on Marvell's EZ-Connect products. Joint collaboration with the leading Universities (**Symbiosis Institute of Design, Pune University & Amravati(M.S) University**) in India has been very helpful to develop the user friendly designs & work force for future. (For more information visit [www.vadactro.org.in](http://www.vadactro.org.in))

**VADACTRO** is having long lasting relationship with **Shree Brijlal Biyani Science Collage, Amravati** under which we have jointly executed many projects. Department of Electronics of Shree Brijlal Biyani Science Collage, Amravati has provided notable contribution in the commercialization of our key technologies for which **VADACTRO** is registered as start-up.

We hereby as an existing start-up partner extend our consent for R&D and Business Innovation linkages for upcoming **Atal Incubation Centre**.

Authorized Signatory,

For **VADACTRO Technologies India Pvt. Ltd.**  
For **VADACTRO Technologies India Pvt. Ltd.**

  
Director/Authorised Signatory

Mr. Avinash Kale  
(DIRECTOR)
