## Letter of Intent

It is a matter of immense delight to note that **Shree BrijlalBiyani Science Collage Amravati**, one of the premier multi-faculty educational institution in the Vidarbha region of Maharashtra is proposing to establish **Atal Incubation Centre** under **Atal Innovation Mission** of **NITI AAYOG, Govt. of India**.

**Unique Systems** is Nasik based company. We are into complete customized solution of home automations & systems. We deal into various international brands with sales and services. We have an exclusive show room at Nashik City. We are first company in Nasik to introduce smart concepts. The concepts focuses on home automations, interiors, lighting Solutions, Ad\_notom [mirror image television], Home theatres systems, acoustical treatment and solution, advance security systems. We give your daily life's routine a smarter touch and easy access to world's most advanced technologies. We deal in system integration as well as own product development. For R&D, development & deployment, we have a team of highly trained engineers. To provide the best service, support and ensure maximum uptime of your equipment, we have our service team which includes on site service technicians, tele-maintenance, remote administration & remote diagnostic, which help to diagnose and rectify your systems faults remotely. (For more information visit [www.uniquesystems.co.in](http://www.uniquesystems.co.in))

Since 2009 **Unique System, Nashik** is having relationship with **Shree BrijlalBiyani Science Collage, Amravati**. We have a joint venture named "**Embedded Electronics Technology Centre (EETC)**" established with the core objective to help students for their industrial projects. So far we have completed 73 minor projects under this joint venture.

We hereby as an existing Small Medium Enterprise (SME) partner extend our consent for mentoring the activities to be carried under upcoming **Atal Incubation Centre**.

Authorized Signatory,

For **Unique Systems**

Mr. Pravin Wadaskar  
(Proprietor)
