12	Objectives-CBCS aims to redefine the curriculum keeping pace with the liberalisation and globalisation in education. CBCS allows students an easy mode of mobility to various educational institutions spread across the world along with the facility of transfer of credits earned by students.
13	<p>Activity Report- On behalf of Brajlal biyani Science College, One day workshop on CBCS (Choice Based Credit System) under the guidance of Dr.D.S. Dhote</p> <p>P.G. Department of Science was organized one day workshop on February 11, 2021 among all 120 students on the subject and possibilities of selection based system. The event was attended by professors from the department. The program was inaugurated by the Principal of Brajlal biyani Science College, Amravati. Principal Dr.D.S. Dhote, M.Sc. Addressed to all postgraduate students. The first year and second year on the Choice Based Credit System this provides students with a learning platform and also the flexibility to choose their course from a list of selected core and soft skill courses and General Interest Courses (GIC)</p> <p>He gave all the information to the students to get more credit in M.Sc. The Choice Based Credit System reveals not only educational opportunities but also learning objectives. He further explained the silent and existing features of the CBCS system. CBCS is a step towards shifting from numerical marks to grading, reducing the stigma of grading "fail", credit based grading system is considered desirable as it facilitates mobility of students in institutions in the country and other countries. Potential employers can thus evaluate student performance in a judicial manner. Finally, he spoke about the benefits of Choice Based Credit System (CBCS). The student has the option to choose an inter / multi-disciplinary course, based on the individual student's IQ level; A guide guides students to choose a course, encourages group work, research and community participation, gives them the opportunity to earn a certificate through a walk-in / walk-out method, gives students more flexibility in choosing courses, students can choose courses at basic or advanced level. Learners can acquire job-giving skills; Students can progress as they wish. Overzealous students have the opportunity to earn extra credit. The program was</p>

	presided over by Dr. D .S Dhote, Principal, Brajlal biyani Science College, and organized by Dr. Sonal Mundhada. Apart from M.Sc. students, the workshop was attended by teaching and non-teaching staff.
14	Outcome - CBCS will allow students to choose inter-disciplinary, intra-disciplinary courses , skill-oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and provide more flexibility for students in learning.
