The resource person for the workshop was Dr. Anupama Harshal, Indo-US Foldscope grant awardee & Consultant IISER, Pune. The total 138 students from various college has attended the workshop in various batches. Workshop for batch 1 was organized on 19th January 2020 at 11 am in the lab 1 U.G. department of botany. Total 43 students appeared for the workshop in batch 1. In this 43 students the 12 students were from the other college. In this workshop Dr. Anupama Harshal gave the demonstration on assembling the Foldscope microscope, followed by slide preparation. Students prepared various slides such as T.S. of anther, T.S. of stem, T.S. of Ovary, Pollen grains, cells

of potato, human chick cells, algal sample, fungal slides and observed some permanent slides. The workshop for batch 1 got over by 2 pm.

Workshop for batch 2 was organized on 19th January 2020 at 02:30 pm in the lab 1 U.G. department of botany. Total 32 students appeared for the workshop in batch 2. In these 32 students the 11 students were from the other college. In this workshop Dr. Anupama Harshal gave the demonstration of assembling the Foldscope microscope, followed by slide preparation. Students prepared various slides such as T.S. of anther, T.S. of stem, T.S. of Ovary, Pollen grains, cells of potato, human chick cells, algal sample, fungal slides and observed some permanent slides. The workshop for batch 2 got over by 5:30 pm.

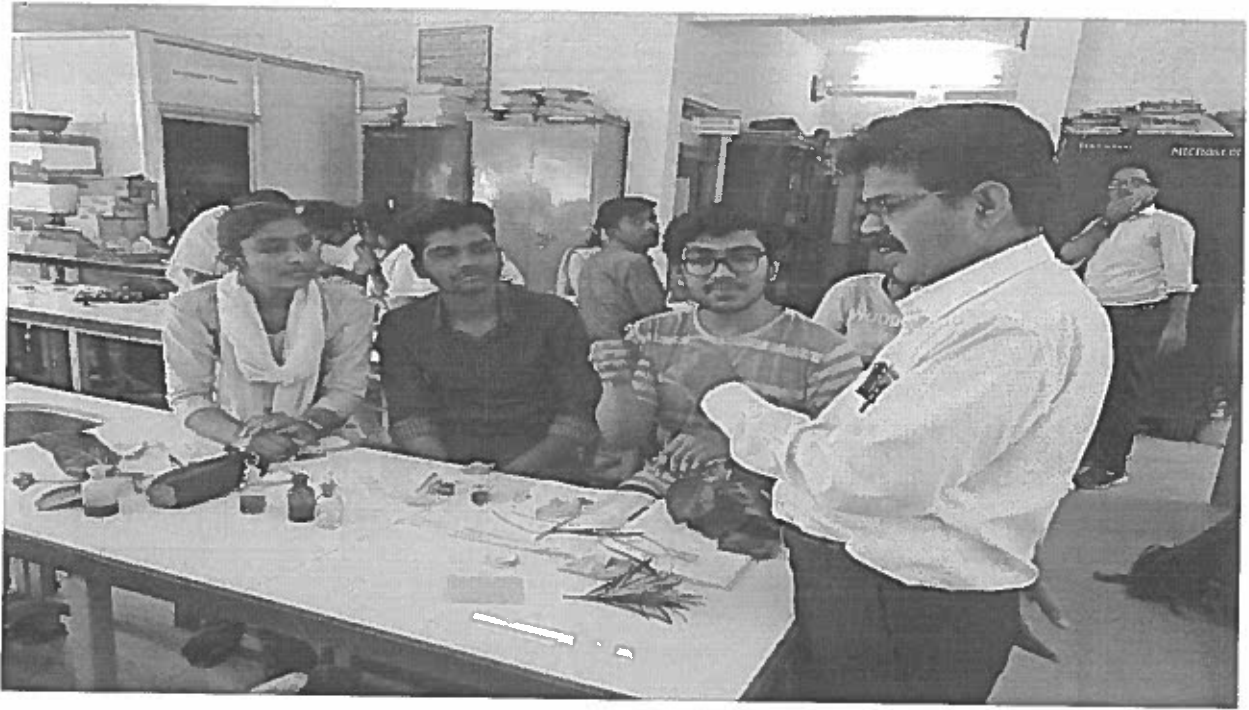

Workshop for batch 3 was organized on 20th January 2020 at 08:30 pm in the lab 1 U.G. department of botany. Total 26 students appeared for the workshop in batch 2. In these 26 students the 05 students were from the other college. In this workshop Dr. Anupama Harshal gave the demonstration of assembling the Foldscope microscope, followed by slide preparation. Students prepared various slides such as T.S. of anther, T.S. of stem, T.S. of Ovary, Pollen grains, cells of potato, human chick cells, algal sample, fungal slides and observed some permanent slides. The workshop for batch 3 got over by 11:30 am.

Workshop for batch 4 was organized on 20th January 2020 at 12:00 pm in the lab 1 U.G. department of botany. Total 37 students appeared for the workshop in batch 2. In these 37 students the 07 students were from the other college. In this workshop Dr. Anupama Harshal gave the demonstration of assembling the Foldscope microscope, followed by slide preparation. Students prepared various slides such as T.S. of anther, T.S. of stem, T.S. of Ovary, Pollen grains, cells of potato, human chick cells, algal sample, fungal slides and observed some permanent slides. The workshop for batch 4 got over by 03:00 am.

At the end of workshop for every batch students filled their feedback forms and lastly had the group photo with resource person and staff of Department of botany. The valedictory function of the “*Regional workshop on Foldscope Microscopy*” was organized on 20th of January 2020 at 03:30 pm in Room no: 408, where student expressed their views and experience of the workshop. Lastly Mr. G. S. Bajaj, (Convener of Regional workshop on Foldscope Microscopy) expressed his thanks to resource person and Brijlal Biyani Educational Society for a allowing and encouraging for smooth conduct of the workshop.

Outcome: All the students received knowledge of Foldscope microscopy. They understood the concept behind creating Foldscope. They got to know the new ways of slide preparations and staining technique. They have created slides of various samples. The entire group of student enjoyed the workshop. We received overwhelming response from students
