

ONE DAY WORKSHOP ON NEW INNOVATIVE IDEAS FOR
SCIENCE GRADUATES, POST GRADUATES & RESEARCHERS
UNDER START-UP PROGRAM (I-SWITCH 2017)

NOTICE

Department of Electronics

All the students of B.Sc. & M.Sc. Electronics are hereby informed that, Department of Electronics organizes a *Workshop on New Innovative Ideas for Science Graduates, Post Graduates Researchers Under Start up Program (I Switch 2017)* by Mr. Ravindra Birje & Mr. Pradip Dhage on 05 August 2017 at College, Auditorium.

All the above students should remain present for the same.

Electronics Subject faculty members are also invited for the said Workshop.

Date: 20.07.2017

Dr. D. S. Dhote
Professor & Head
Department of Electronics

Principal
Brijlal Biyani Science College,
Amravati.

After this, Dr. N. G. Belsare (Principal) delivered welcome speech. In his speech he welcomes all the guests, faculties, students and researchers who came from different institute of different regions of the state. He shares his valuable experience and appreciates all the efforts taken by all the members for successful organization of this workshop. He specially mentions his thanks to MIT-TBI and MEDA for the arrangement of workshop especially for Science students.

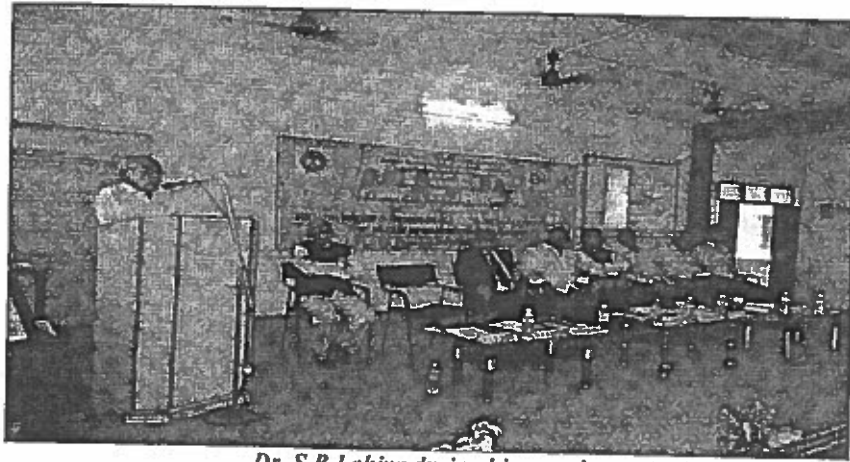

Dr. N.G.Belsare during his welcome speech.

Dr. Ravindra Birje gave initial idea about the workshop, what is MIT-TBI, MEDA and their contribution for nation building. He also gave introductory idea about ATAL tinkering Lab i.e. initiative taken by the central government to increase students interest in practical by funding to the science laboratory. He also expressed his special thanks to the college for organizing this workshop. He specially mentioned his thanks for all the efforts and hard work taken by Dr. D.S.Dhote and all the staff members for successful arrangement of the workshop.

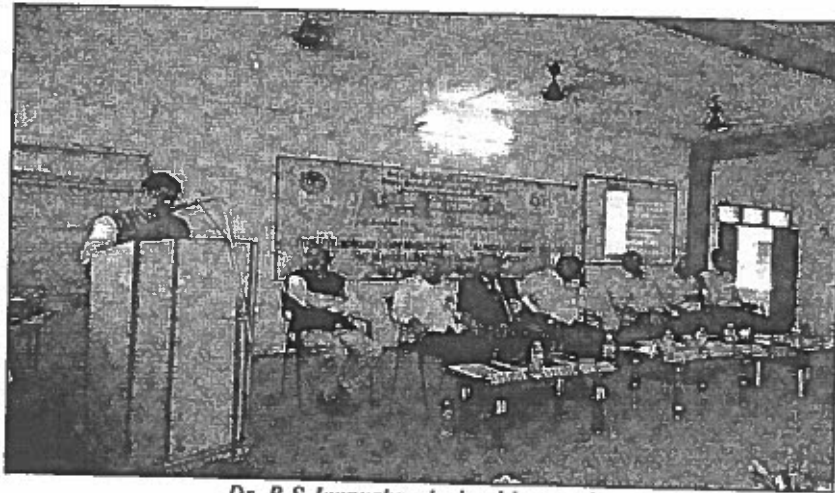

Dr. Ravindra Birje during his speech.

After this, Dr. S. B. Lohiya (Former Principal) expressed his best wishes to all the members who directly and indirectly involved in the workshop. He expressed his special thanks to Dr. Ravindra Birje and Mr. Pradeep Dhage for their valuable cooperation for this workshop. He further added that, I would extend my support if the management takes initiatives for establishing ATAL Incubation center at Biyani campus either independently or in collaboration with some reputed organizations.

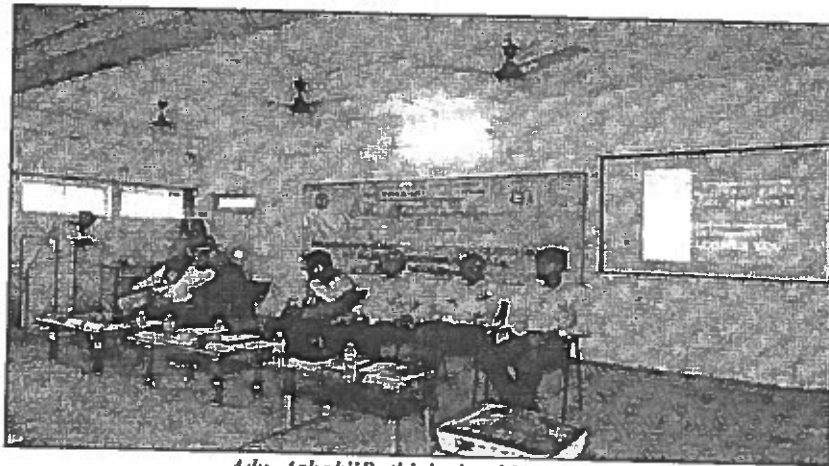

Dr. S.B.Lohiyu during his speech.

Dr. R. S. Jayapurkar, chief guest initially inaugurated the workshop. He appreciates all the efforts taken by the PG Department of Electronics with MIT-TBI and MEDA. He also shares his research experience in the field of Apiculture at Chikhaldara. He also motivates all the students and researchers to take participation in nation building activities. He also gave surety on the behalf of Hon'ble Vice Chancellor of Sant Gadge Baba Amravati, University that, University always welcomes such activities that really increased students interest in research field. He also requests all the Heads and principals for different High School and Colleges to take benefit of ATAL tinkering Lab.

Dr. R.S.Jaypurkar during his speech.

At last, Adv. Ashokji Rathi, Chairperson of the workshop expressed his grateful thanks to the PG department of Electronics, MIT-TBI and MEDA for organizing this workshop. He also requests all the Heads and Principals of different High School and Colleges to take benefit of ATAL tinkering Lab. He mentions his special thanks to all students, Researcher and Faculty members for attending this workshop. He also thanks all the teaching and non-teaching staff of all the departments of college for their hard work and efforts for the successful arrangement of this workshop.

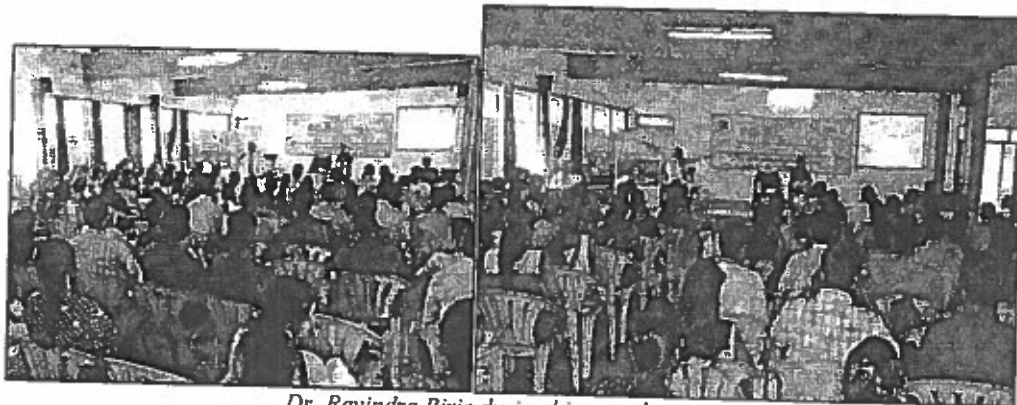

Adv. Ashokji Rathi during his speech.

Here inaugural function was concluded and whole programs comparing was done by Mrs. J. P. Kundwani, faculty member of Electronics department.

After this Inaugural function tea and snacks provided to all the candidates and delegates.

In the first session, Dr. Ravindra Birje delivered his speech on "Entrepreneurship & Ecosystem", for this session Dr. G. D. Agrahari was chairperson. Dr. Ravindra Birje introduced what is Entrepreneurship and Ecosystem. He explained different technical aspects and terms in the Entrepreneurship. He also explained difference between Entrepreneurship and Entrepreneurs. He mentioned how to start business, financial support for product development and business, pre and post requirement of Business.

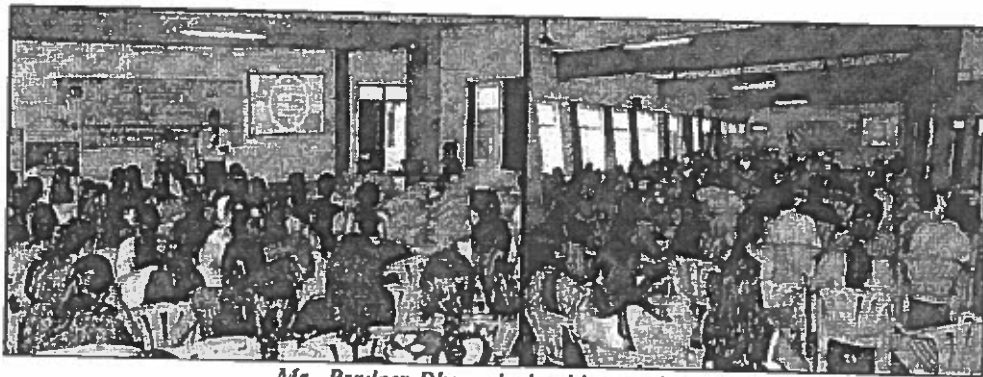

Dr. Ravindra Birje during his speech

He also explain the term ecosystem and the term "Angle funding" regarding to ecosystem of business.

After this delicious lunch was organized in the college canteen. All the guest, delegates and students enjoyed lunch.

Second session was carried out by Mr. Pradeep Dhage on the topic "Innovation policy of Govt. of Maharashtra and GST & Business" for this session Dr. N. B. Raut was chair person. He explained different policies launched by Government of Maharashtra for increasing business potential among all the members of the society. He also explained few TBI activities that are really helps people to set their business in very less facilities.

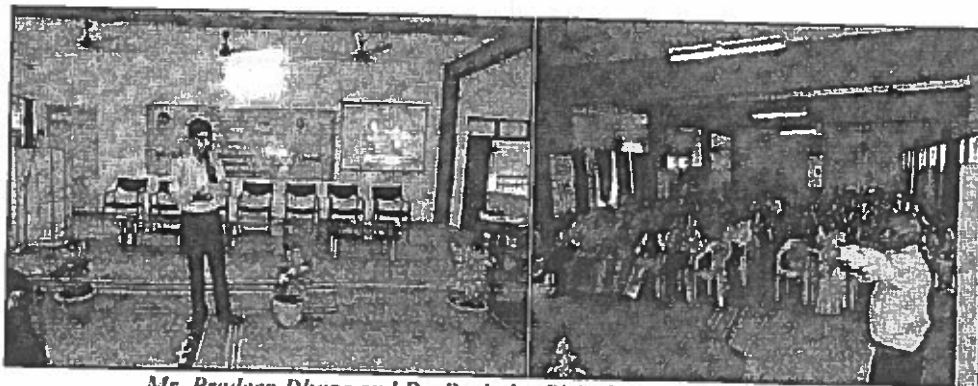

Mr. Pradeep Dhage during his speech.

He further explained GST and Business related issues. He also explained what GST is and how it is global taxation system for the country like India.

After this session tea and snacks provided to all the candidates and delegates.

Third session was jointly conducted by Dr. Ravindra Birje and Mr. Pradeep Dhage on the topic "Product development policy of MIT-TBI, Pune" for this session Mr. Chandrashekhar Sawarkar was chairperson. Initially Mr. Pradeep Dhage explained different product development policy of MIT-TBI. He explained how MIT-TBI will help to set a business or will help in other related issues. He introduced one policy that, if a person who has innovative idea but unable to set a business then how MIT-TBI will help to him to set business. Other policy is, if he has no idea then in this case MIT-TBI gave him ideas and one should willwork on it. He also explained how we can set our business with or without business partner.

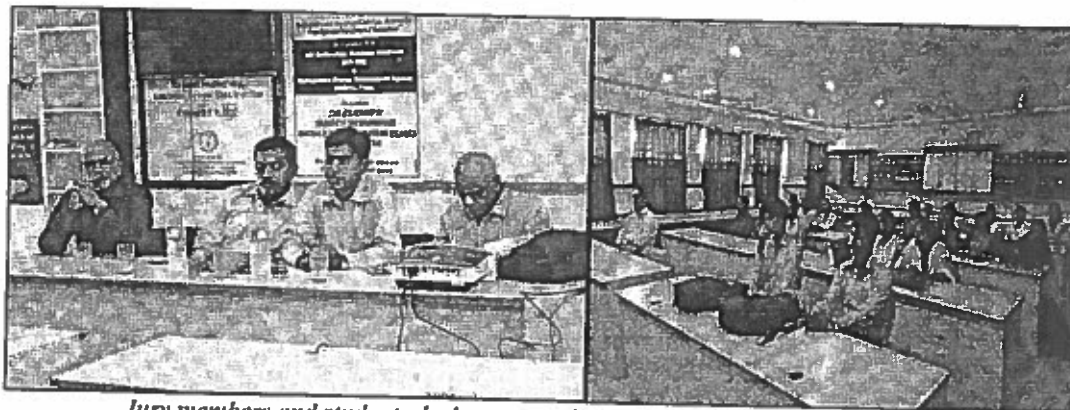

Mr. Pradeep Dhage and Dr. Ravindra Birje during their speech.

Mr. Ravindra Birje also explained different product development policies of MIT-TBI, Pune. He also explained different schemes launched by the Government of Maharashtra and Government of India for Rural and Urban areas. He gave example of AKSHAYURJA scheme. All the faculty members and students actively participate in this and ask queries to the experts.

Total 128 persons have participated in the workshop from different colleges. Finally program was concluded with the permission of chair. For the successful arrangement of this workshop all the teaching and non-teaching staff of Electronics department, and other department took huge efforts and gave their valuable time.

Pre workshop meet

Earlier to the workshop a "pre workshop meet" for the scouting process of new innovative ideas of science students and researchers was held on 4th August 2017. Organizing committee form a panel for the selection of new idea of participants that will be selected by MIT-TBI. In this panel Dr. Ravindra Birje, Mr. Pradip Dhage, Dr. N. N. Kasat, Dr. D.S.Dhote was jury members.

Jury members and students during pre-workshop meet. (Presenting Innovative Ideas)

Total 17 candidates presented their innovative ideas in front of juries. All the jury members have cautiously examined each idea and suggest proper method for the proper implementation of the idea. Post graduates & engineering students present this own innovative ideas for commercial purpose on which the panel interact with them & guided them properly.

FEEDBACK FORM

Please Tick where Appropriate:

1. How was the overall organization of the Workshop : Extremely good Good Quiet good Poor
2. How relevant was the material provided : Extremely good Good Quiet good Poor
3. How was the venue of the Workshop : Extremely good Good Quiet good Poor
4. How was the attendance the workshop in general : Extremely good Good Quiet good Poor
5. How were the illustrations : Extremely good Good Quiet good Poor
6. If asked to come for another workshop what would be your reaction : Extremely good Good Quiet good Poor
7. Was there personal participation during the workshop : Yes No

8. Additional Comments and Suggestion : whole arrangement of
program is vety good
