23. Institutional preparedness for NEP

- Multidisciplinary / Interdisciplinary:** The institute is ready for broad-based multidisciplinary holistic education at the undergraduate level. As a 'Zero start' the institute has been implementing skill based, vocational education Programs B.Voc. and M. Voc. as a multi entry - multi exit program. The institute has also moved to university and

Government of Maharashtra for integrated teacher education program B.Sc. B.Ed. Implementation of Choice Based Credit System will be the initiative for interdisciplinary approach. Addition of New faculty of humanities, Liberal arts is planned.

2. **Academic Bank of Credits (ABC):** Converting all degree programs in the Credit system is first initiative. Moreover, short duration add-on programs with credit and Grades, Embedded degree programs and credits to internships will be further initiative. Own ABC at institutional level will be created. Registration for ABC on NAD will be done shortly.
3. **Skill development:** The institute has already started skill development program B.Voc. (Medical Equipment techniques and management with certificate, Diploma and Advance Diploma, Post Graduate Diploma in Biomedical Electronics. The new initiative is for some skill development programs in paramedical, agricultural, finance sector. M.Voc. (Public Health Management) is started from academic year 2021-22.
4. **Appropriate integration of Indian Knowledge system (Teaching in Indian Language, culture, using online course):** India has a long tradition of culture. To indicate values and knowing of culture of local, regional, national levels an initiative of 'Knowledge Tourism' is planned under which short duration internships would be provided to student on visit and study of the historical places. These would be assigned credit's.
5. **Focus on Outcome Based Education (OBE):** Internships in all degree programs. Restructuring of disciplines for specific outcome is planned. The programs will be converted into multi entry-multi exit degrees.
6. **Distance education / online education:** Distance Education cell with State and National Universities will be formed in the phase 1. Later independent open and Distance learning programs will be started. Emphasis on blended (mix mode) education would be given priority.
